

Candace in Barcelona

The #RoadWarrior Saga Continues!

Hello everyone! I hope you are doing well today! I want to update you on the itineration journey to let you know how things are going. I've continued to travel to churches to share about the vision for the International Church of Barcelona and I've been met with so many kind and wonderful people. It's been awesome to see how God is putting this partnership team together. Thank you for your faithful prayers and support--this all would not be possible without you!

Ordination!

This year at Indiana District Council I was ordained as a minister with the Assemblies of God. It's hard to put into words just how meaningful this evening was for me, as so many prayed for me and offered words of encouragement. I am excited to have taken this step in ministry and I am thankful for leadership that has believed in me every step of the way!

I Need Your Help!

As you know, I cannot go to Barcelona until I've reached 100% of my budget, and I've gotten much closer, but still have a ways to go. Currently I need \$965 in monthly partnership and \$8,880 cash to be able to meet that goal, and I would like to be done by the end of July. I'm asking that people would help me in creative ways!

Would you consider helping me with one of the following?

- Hosting a "meet and greet" or "coffee with a missionary" for a small group of people where I can share about Barcelona.
- Having a ministry group (women's, men's, 55+, youth, kids) in your church do a special fundraiser to help raise cash, such as a bake sale, coin drive, yard sale, etc.
- Referring me to a friend, coworker, or relative so that I could share with them the mission God has laid on my heart.

Indianapolis Coffee Tasting

You're invited to a coffee tasting event on June 15th! Two local churches are helping host a coffee tasting event to help raise money for my work funds account. All donations at the door will go directly to missions. The event will be held at The Caring Place church in the Student Ministry Center from 10:30-

11:30am. Suggested donation at the door is \$25/person--all donations will go directly to missions and are tax deductible. To learn more and to RSVP click below. I hope to see you there!

Praise and Prayer

There is so much to be thankful for!

- Safety in driving and no car troubles.
- Progress in support raising.
- Finishing the Tuberculosis medicine with minimal side effects.

Could you pray these specific things with me?

- Continued safety in traveling.
- To be able to finish fundraising by the end of July.
- For restful sleep and good health.
- For my schedule to fill with services, meetings, and events.

Thank you for your faithful prayers--they matter!
