## "I WOULDN'T TRADE IT *for the World.*"

Jennifer already had 7 children. When her boyfriend was convinced she was pregnant again, Jennifer went to the Women's Resource Center for a pregnancy test. As Jennifer maintained she was not pregnant, the WRC Nurse gently told her that her test was positive.

Jennifer was shocked. With the WRC Director holding her hand while she watched the ultrasound screen, the nurse showed her not one, but two little babies! Feeling overwhelmed as she realized she would be a mother to nine children, Jennifer immediately decided to parent her twins.

As she sits today hugging her twin daughters, Ammarie and Ammunette, Jennifer recalls "Women's Resource Center has done so much. They helped me and talked to me while I bawled my eyes out, but I wouldn't trade parenting my twins for the world."

# FROM THE Board President

I don't want to be on the WRC board of directors.

I don't want to volunteer at WRC.

What I want is to stop abortions. If the best way I can do that is to serve at Women's Resource Center, whether it be as a board member, volunteer, or cleaning the bathrooms, so be it. I want to help WRC in any way I can.

My only agenda for serving at WRC is that God has put this on my heart, and it will not go away. He is calling me to do something for the unborn; and I, in return, am asking WRC to help me do just that.

This is something I am SURE God would have me – and you – do to glorify Him.

I know I am a sinner, fallen from day one, but I thank God I have come to know His Son, Jesus Christ, and the sacrifice He made for my sins. Without this gift I am utterly lost. Because of it, I am truly found. I want everyone to know the love that God, through His wonderful grace, extends to every person on earth.

If you have the same burden on your heart like I do, contact WRC today. Be worthy of the calling. Join us at WRC to defend the innocent

unborn, educate and encourage women

who may be pregnant, promote a godly view of sexuality, and bring healing to those who have experienced abortion. You will never regret helping the unborn. Join us today in fighting for life in Montgomery County and Fountain County.

For Life,

*Jim Wininger*

*Jim is married to his beautiful wife, Colleen. Together they are raising three strong boys. Jim has been on the WRC board for 8 years.*

## Spring FUNDRAISERS

### JOIN US FOR THE 5TH ANNUAL "LADIES' AFFAIR"!

Last year, despite a snowstorm and rumors of an impending shutdown due to Covid-19, an amazing number of you still turned out for this fun and rewarding event. In a nod to the vagaries of Indiana's weather and in anticipation of virus concerns continuing to diminish, we have scheduled this year's Ladies' Affair on Sunday afternoon, June 6th, 2021. Purses and/or jewelry to be donated may be brought to the Women's Resource Center or call Kelly, 765-307-8944, to have them picked up. Be on the lookout for further updates. We hope to see you there!

### BABY BOTTLE CAMPAIGN 2021

Plans are underway for this year's Baby Bottle Campaign. To accommodate those who may still be joining their church services virtually, we will be taking the campaign on-line. Baby bottles will still be made available to the churches, but now church members will have the option to support WRC on-line. More information will be made available as Mother's Day approaches. Thank you!

# Life & Salvation - ELIZABETH'S STORY

In 2012, I went to the Women's Resource Center to take a pregnancy test. If it was positive, I was considering an abortion. Sure enough, I was pregnant. Sharlie was working that day; she held my hands and thanked God for the life growing inside me. Right then and there, I decided to keep my baby! A few weeks later, I would find out I was pregnant with TWINS!

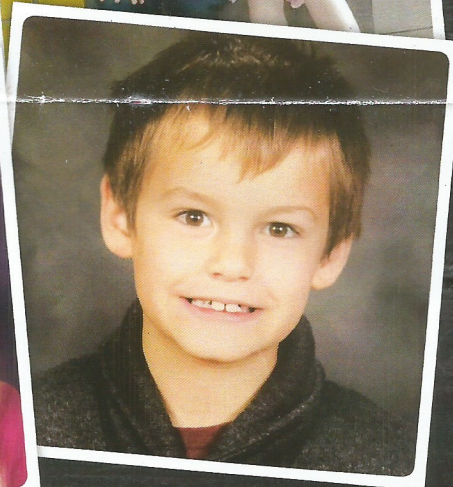

At my church, soon after that, I accepted Jesus Christ as my Lord and Savior. Before I knew Christ and was saved, I could not see the value of life being so precious. Here we are, 8 years later, and so thankful for this ministry that values lives, born and unborn.

My babies were born March 8th, 2013, perfectly healthy! Their names are Ava Bartlett (girl) and Avary Bartlett (boy).

**MISSION:** Through the saving knowledge of Jesus Christ, we will defend life from the moment of conception, educate women who may be pregnant, promote a godly view of sexuality, and strive to bring healing to those who have experienced abortion.

**VISION:** Reach more abortion-minded women. Help post-abortive women find healing. Minister to, support, and better train our volunteers and staff. Serve the local churches. Make the name of Jesus famous in the earth.
