The Best is Yet to Come

"Trust in the Lord with all your heart and lean not on your own understanding."
(Proverbs 3:5, NIV)

We are looking forward to what the Lord has for us at the start of a new term! One phrase I keep hearing over and over from the Lord is, "The best is yet to come." What an awesome promise!

As most of you know, we went through many struggles moving our Children's Home to another province one year ago. However, as we put our trust in the Lord and did not lean on own understanding, God was faithful and led us to a new home in another province. Nothing was ever wasted as we, the children, and many others believed God for direction, and at the right time He was faithful to lead us.

We have been in Cambodia a week now, and we're finishing up our government hotel quarantine time. We are excited to be reunited with the children at our Train Up Children's Home soon. They are waiting for us, and we have received lots of videos and pictures from them every day. We are looking forward to begin the process of opening up our One-Way Community Center and church plant through the community center.

Thank you for believing in what God is doing through us and praying for us. We are so thankful for each of you and it was good to see our church families during the last few months of itineration time.

Prayer Requests

- The Word of God to go out in Truth.
- The hearts of Cambodians to receive salvation through repentance.
- For doors to remain open to share the gospel.
- For us to have good health and safety in finding a new home.
- Favor with the Cambodian government.
- Children in our children's home: their health, education, provisions, and that the Spirit of the Lord will continue to work in their hearts.
