

## House of Grace – Recovery is possible

### Where did 2022 go!!

All I know is it went fast. So, the only looking back for us is to thank God for all of you who have supported us throughout this year. It's because of YOUR obedience is one reason why we are still here. God has been so good to us and faithful. We have been through some challenges and have had a lot of blessings. The enemy has fought, and God has overcome in those times of fighting. We have been able to watch God restore families and lives. We have seen lives changed that will never be the same again. Unfortunately, there has been a few go back into addiction but I am reminded that they will never be the same after experiencing our GOD. The seeds have been planted I am believing for others to step up and continue to water those seeds. God will always be able to do what we can't. We have had others still doing what is needed and still serving God. Please keep them all in your prayers because the battle isn't over for them just because they completed the House of Grace. The enemy is on their heels. Just like he is the rest of us. BUT GOD!!!

We gained 4 new partners this year and praying for triple in 2023.

We have had 10 ladies come into the house this yr and 4 of them are still here doing well and expected to graduate next yr.

We had 4 graduates this year.

Shared about the House of Grace with 6 churches or groups this yr. We would like to share with 1 a month so help pray that we get into 12 next yr.

We were able to be in several County fairs, festivals and Mental Health events to share about the house and what God is doing.

### HEART & HANDS CELEBRATION HOUSE OF GRACE RECOVERY HOMES

Wow! This was our first year to do a banquet fundraiser and did God bless!

We were able to have 2 this year. 1 in the Spring and 1 in the Fall.

Brought in just over \$10,400 at the spring one and just over \$34,000 at the fall one.

Makes me want to shout out of my shoes.

### Our 1<sup>st</sup> Alumni Retreat

This had been a vision of mine. Trying to bring the ladies back that we may not have seen for a while and to also see those who we have seen. We had 17 ladies go, that included some of our staff. We had such a great time building new friendships and deepening relationships. God moved and ladies were set free from strongholds and encouraged. This is something that I believe will continue to help the ladies know that we are still there to love and help them on their journey.

## Ride for Grace

Our motorcycle ride turned out great! We had 23 bikes and was able to raise \$3914. It was delayed for 1 hour due to the rain but turned out to be an awesome ride.

**Sharing the blessings at Christmas** with Life Journey Hospice House in Avon. What a blessing for us.

## THANK YOU!!!!!!

We are so so grateful to you as a supporter of the House of Grace. We could **NOT** do this without you! We are asking that you continue to help us reach ladies who are completely lost in addiction and are looking for a way out.

We ask that you share with your friends and church family about the House of Grace and if they haven't heard about us, then we would like to connect with them.

If you are not a monthly partner, we want to invite you to become one. It cost us over \$110,000 this year to operate and we are expecting 2023 to be way above that.

**2023 vision** and a goal is to open up another house in Nashville IN. So be praying that God brings us the people, house and the money to buy it. Also add to that prayer for God to bring us a house in Rensselaer because we are in need of something bigger than the apartment, we are in.

Please continue praying for the staff at the House of Grace that God will continue to strengthen and give us wisdom, knowledge, and discernment. It is a battle that we fight daily against the enemy. Eph 6:12

**I declare** in 2023 that God will move in greater ways then we seen in 2022, more lives will be transformed for HIS glory.

**I declare** that the ladies will experience such an encounter with God that they will be shaken to their core where they will never be the same.

**I declare** that we will see more ladies come back and be part of the house staff and that they will experience helping others change their lives.

We love you and pray blessings on you and your family for 2023.
